## 2012 HILA Membership

*The Hawaii Island Landscape Association was formed in 1986 as an umbrella organization for the landscape industry on the Big Island of Hawaii. HILA is committed to raising the performance standards of the landscape industry through training & education. In this way, HILA hopes to educate the public as to the professionalism of our industry.*

### HILA benefits / activities:

- Networking opportunities
- Garden and Project Tours
- Technical training to the landscape workforce
- Annual Student Scholarship Program
- Landscape Beautification Awards Program
- Become a HILA member today and save on conference fees this year and next year at the 2012 conference.

For more info contact Ty at 322-4884 or [tym@hawaii.edu](mailto:tym@hawaii.edu)

# SECOND ANNUAL HAWAII ISLAND LANDSCAPE MANAGEMENT CONFERENCE

**Hapuna Beach Prince Hotel**

**Kohala Coast, Hawaii**

**November 12, 2011**

**8:00am - 4:45pm**

\*\*\*\*\*

Co-sponsored by

Hawaii Island Landscape Association

University of Hawaii Cooperative Extension Service

A ONE-DAY EDUCATIONAL CONFERENCE FOCUSED  
ON PROVIDING **PRACTICAL MANAGEMENT TOOLS**  
FOR PROFESSIONAL LANDSCAPE GARDENERS.

Two tracks of educational sessions to choose from in tree care and ornamental plant management. Program features local experts from the Green Industry and the University of Hawaii:

- \* **Riding the Wave of Opportunity for a Post-Tsunami Makeover**  
- Erin Lee, Director of Landscape, Hualalai Resort.
- **Insect Identification: The Good and the Bad** - Dr. Arnold Hara, Entomologist, University of Hawaii. Focus will be on the identification of pests and their natural enemies in the landscape.
- **Practical Irrigation Solutions to Water Conservation** - Martin Miyashiro, Diamond Head Sprinkler.
- **The Paspalum Alternative** - Scott Nair, Director of Agronomy, Kukio Golf & Beach Club. Learn Best Management Practices for maintaining quality seashore paspalum turf in resort/residential settings.
- **Bamboo in the Landscape** - Susan Ruskin & Peter Berg, Quindembo Bamboo Nursery. Right plant, right place: bamboo selection for instant or fast neighbor abatement.
- **Structural Pruning of Young Trees** - Mike Kraus, Tree Works, Inc. Many trees in our landscapes fail to grow to their full potential. Learn how to properly prune young trees so they will reach their ideal form.
- **Root Pruning and Tree Protection** - Steve Nimz, Consulting Arborist, S. Nimz & Associates, Inc. Learn the do's and don'ts of root pruning when roots cause problems with walkways or other hardscape features.
- **Tree Risk Awareness** - Steve Nimz, Consulting Arborist. Learn the early signs of tree problems and the steps to avoid high risk situations with large trees. Beginner tree "defect detective" training.
- **Hands-On Tree Pruning** - Mike Kraus, Tree Works, Inc. Participants (small groups) will do structural pruning on young trees provided on site. (A follow-up to **Structural Pruning of Young Trees**)
- \* **2011 HILA Landscape Beautification Awards**
